RE: Request for Additional Information, Year End 2001 Report

Dear Mr. Ragan:

The Dole 2002 Committee, Inc. (ID#C00389140) ("the Committee") is in receipt of the Request for Additional Information from your office, dated April 9, 2002, with respect to the Committee's Year End 2001 FEC Report ("Report"). Please accept this letter as the Committee's response to the FEC's Request for Additional Information.

1. Best Efforts.

The Committee adheres to all best efforts requirements. All fundraising solicitations include a clear and conspicuous request for the required contributor information. If the employer and occupation (or other) information, is not initially provided by the contributor, a written letter is sent within 30 days seeking the missing information. A follow-up letter is sent if the information is not received pursuant to the first request.

If the information is still not provided by the donor, the Committee is now making a third request for the information via telephone. An amendment to the Report is being filed simultaneously with this Response which furnishes additional information received since the filing of the Report.

2. Conduit Contribution.

The amendment to the Report will also adjust the reporting format of the conduit contribution for Harvey Meyerhoff. The Report now shows the conduit memo entry (with conduit receipt date), for the National Republican Senatorial Committee, immediately following the contributor entry, pursuant to your request.
